

Always

Music & Words: Irving Berlin (1925)

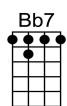

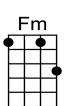

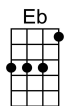

Arranged by: Ron Chamberlin

Note: This arrangement changes keys from Eb to the simple key of F. The two chords following the first phrase of "I'll be loving you, always" and the three chords following the phrase "Days may not be fair, always" can be omitted. You can play through these beats using the prior chord, however it's this series of chords, remembered from the old piano score, that prompted this arrangement.
