## 4/4 Swing Rhythm

Stars shin - ning bright a - bove you,

Night breez - es seem to whis - per, "I love you".

Birds sing - in' in the sycamore tree,

Dream a little dream of me.

Say "Night - ie - night" and kiss me,

Just hold me tight and tell me you miss me.

While I'm a - lone and blue as can be,

Dream a little dream of me.

**Stars fad - ing, but I linger on dear,**

**Still crav - ing your kiss.**

**I'm long - ing to linger 'til dawn, dear,**

**Just say - ing this:**

**Sweet dreams 'til sun - beams find you,**

**Sweet dreams that leave all worries be - hind you.**

**But, in your dreams what - ever they be,**

**Dream a little dream of me.**
